1828 L Street, N.W.
Washington, D.C. 20036

Dear Mr. Limpert:

I've recently returned from a long stay in Israel. Thank you for sending me the fine book of Washington aerial photographs. It makes me nostalgic for the city where recently I've spent too little time while I hole up in the California desert. But it's still home to me, so far as a born wanderer has one.

Sincerely,

Herman Wouk
